

The David Blagrove Charity Trust

David's passions were:

- ◇ To enhance local landscapes and heritage of Stoke Bruerne and surrounding areas
- ◇ To promote community cohesion by encouraging and supporting local community collaboration
- ◇ To provide an educational and developmental experience for young people with a focus on disadvantaged youth
- ◇ To seek to engage young people in canal based activities in order to develop them personally and socially

The charity trust aims to work in cooperation with other local organisations to achieve these objectives.

The trustees invite and welcome support from the local community and beyond. For a small fee of £24 per annum or £2 monthly direct debit for an individual (concession rates available) your support could involve:

- ◇ Helping with fundraising projects
- ◇ Utilising your expertise/skills in the ongoing development and work of the charity.

Members will receive regular news of activities and an invitation to the AGM.
